## For Your Information

The parent's signature on the registration form gives permission for the camper to attend supervised off camp activities or field trips.

### Insurance

All claims for medical services must be submitted to the camper's parent's or guardian's insurance company first. Then any unpaid balance may be paid by the camp's limited insurance policy. Parent or guardian will be primarily responsible for routine or emergency medical expenses.

### Dress Guidelines

In order to insure that clothing worn by males and females will contribute to the spirit of camp in a positive way by being modest and acceptable, the following information is provided. No spaghetti straps, halter, midriff tops (shirts must cover stomach with arms extended over head), immodest bathing suits, dresses of improper cut, strapless or low-cut tops, front and back. No cleavage should be visible. Remember, what you wear impacts others. Shorts must be of proper fit and no shorter than longest finger when hanging at your side. Dresses and skirts must come to the top of the knee. Males should not wear ripped out shirts. This applies to all activities at Camp Hope.
