RVICS Report

The fall 2010 Roving Volunteers in Christ's Service (RVICS) have been very busy the month of November. They have been able to work on many projects needing attention here at camp. The ladies have mended mattress covers and worked other sewing projects. The men have been busy remodeling the female staff bathroom, building a cabinet for a commercial coffee pot given to camp, installed a awning over the bat cave door and repaired a major water leak in the infirmary which required tearing out a shower and re-installing it. We are very thankful for their ministry to Camp Hope and look forward to future visits.
